Above ground private mausoleum entombment is the ultimate statement of distinction and remembrance. Private granite mausoleums are no longer out of the reach of local families. Working with our in-house design staff, you can create a truly personalized mausoleum that will eternally reflect the contributions and the impact of a memorable life. We offer only the highest quality granite available for mausoleum construction, and provide a wide variety of colors. Expert craftsmen will build and assemble the unit, and ensure the proper handling and installation.
